To

The Principal
Holy Cross College, Agartala
West Tripura

Subject: Requesting permission to organise a workshop on Google and Microsoft Office Tools for students.

Respected Father,

With all due respect and humble submission, we the members of IT Club would like to request your support and permission to conduct a workshop on Google and Microsoft Office tools. There is a need that has been identified of keeping the students up to date with the new demands in the academic curriculum. Most students have no knowledge or training in this curriculum. Therefore, we believe this is the perfect opportunity for the IT Club to conduct this workshop.

We have planned to organise the workshop on 29th and 30th of November 2022. Most preferably we need G-4 (Computer Lab) to be the venue for the workshop because it has a big hall and enough space to accommodate all the participants that will be invited. The participants will be students of 5th semester from all the departments, it is important to inculcate these necessary skills in the students to prepare them for their upcoming academic endeavour.

Therefore, I hope and pray that you will be kind enough to grant our application and give us permission to organise this workshop.

Thanking You
