#### ACTION TAKEN REPORT ON STUDENT'S FEEDBACK ON CURRICULUM

Based on the responses that we have received from the students on feedback, students seem to be confident in handling the syllabus. In order to enhance their capabilities, the college aims to update the library, by purchasing new books, with new titles and also to buy more number of copies of the existing titles to support the students sufficiently. The college will also buy a good number of reference books and journals to add to the students' needs and requirements.
