Report

On 15th May 2023, the Department of Teacher Education, Holy Cross College, organized a special lecture on “Challenges of life and a way forward “by Mr Suddha Bhattacharjee, Wing Commander, Indian Air force. He is also the alumni of Holy Cross School Agartala. He spoke on the art of being confident in life and how to face challenges without being scared. He also enlightened us about self-love and self-confidence. His lecture really motivated us as he guided us to concentrate in the values of life and dream big. He also gave us life examples to make things clearer. Many of us also asked him few life related questions which he answered in a straightforward manner. At the end of the session, he gave us a questionnaire which we had to solve within a stipulated time frame. It was mainly to judge our concentration level. We should never be afraid of doing anything rather take up challenges and face them which will help us to learn a lot in life- this was the intake after this fruitful session.
