Subject-Seeking permission to organize two interdepartmental collaborative teaching learning activity.

Respected Father,

I am writing to request your permission to organize two (2) interdepartmental collaborative teaching learning special lectures at our college for the Department of History in the Even Semester 2023. One of the main advantages of interdepartmental collaborative teaching and learning is that it can assist students in understanding the connections between various courses. They may be able to think more deeply about complicated issues that call for a multidisciplinary approach as a result of developing a more integrated understanding of the world.

Interdepartmental collaborative teaching and learning also has the advantage of enabling teachers to expand their own skill sets and knowledge. Teachers can learn new teaching techniques, gain insights into various disciplinary viewpoints, and build a greater grasp of how various subjects relate to one another by working with colleagues from various departments.

We intend to set up a cooperative teaching arrangement, including the Sociology and Business Administration department. To avoid interfering with the regular teaching schedule, the schedule will be carefully designed. We are confident that this cross-departmental effort would benefit our college, and we would really appreciate your permission to move forward. We promise to plan these two events effectively and professionally, and we'll do all it takes to make sure everything goes according to plan.

Father, you would be pleased to know that for these collaborative sessions the Department of History has taken prior consent from both the heads of the Department of Sociology and the Department of Business Administration.

Name of the Resource Person	Topic of the Lecture	Department	Date and time of the Special Lecture	Signature of the HoDs

2. Mr. Subhajit Paul	Basics of Entrepreneurship and its Skills	Business Administration (BBA)	22 <sup>nd</sup> May, 2023. 9 AM

Subject: - Request to approve the slight modifications in one of the already approved Special lecture of the Department of History under the 'Interdepartmental Collaborative Teaching Learning Activity'.

Respected Father,

Courteously, with reference to my earlier application on the same subject, date: 10<sup>th</sup> May, 2023, I would like to propose to you some modifications in the second Special lecture of the Department of History under the 'Interdepartmental Collaborative Teaching Learning Activity', with the Department of Business Administration. Subject: - Seeking permission for the Departmental Observance and an inter-departmental extempore speech competition on the auspicious occasion of the birth anniversary of Swami Vivekananda, which has also been designated as the 'National youth Day' on 12<sup>th</sup> January 2023.

Respected Father Principal,

The short thirty-nine (39) years of life and times of Swami Vivekananda hold much inspiration for the younger generation of 21st-century India, which is why the Indian Government has rightly declared the birthday of Swamiji as the 'National youth Day'. Vivekananda being a historical figure belonging to colonial India; the Department of History of this institute feel its obligation to celebrate 'National youth Day' on the coming 12<sup>th</sup> of January 2023. The Department proposes to have a small Departmental Observance of the Youth Day followed by organising an inter-departmental extempore speech competition (with two participants from each department) involving all the institute's departments at the FI-08 Smart Classroom from 11:00 AM onwards. The Department also plans to invite three faculty members of the institute to be the said program's judges. Lastly, the Departments also intend to give prizes to the first (1<sup>st</sup>), second (2<sup>nd</sup>) and third (3<sup>rd</sup>) position holders from the side of the department.

Therefore, we request you to consider this appeal of the Department of History, grant us your permission, and oblige us thereby.

## Report

The Department of History in collaboration IQAC, Holy Cross College, Agartala organized a Special Lecture in offline mode to observe the "National Youth Day" or the birth anniversary of Swami Vivekananda on 31<sup>st</sup> January 2023. The invited resource person for the program was Dr. Nirmal Bhadra, Principal, Maharaja Bir Bikram College, Agartala, Tripura. Sixty-six (66) students of the Department have registered themselves for attending the said lecture. Dr. Bhadra started his lecture with a short description of the early life and family of Vivekananda to educate the audience about the unknown facets of young Vivekananda. Dr. Bhadra brilliantly highlighted the questioning curiosity of young Vivekananda. Dr. Bhadra continued with great enthusiasm the philosophies of Swami Vivekananda and the famous Chicago speech of Vivekananda at the Parliament of the World's Religions on 1893. Dr. Bhadra also read out some inspiring quotes written by Swamiji himself to inspire the students to cultivate curiosity in the young minds to now and explore more of Swamiji. Lastly Dr. Bhadra also informed the august gathering about the enlightening correspondence that had taken place between Vivekananda and his mentor Ramakrishna Paramhansa Deva and the story behind the establishment of Valurmath in 1897. The Special Lecture came to an end by the vote of thanks proposed by Mr. Subhash Debnath, Assistant Professor, Department of History, Holy Cross College, Agartala. After the Special Lecture Session, a interdepartmental Extempore speech competition was also organized on the

Sub: Submission of the revised proposal of organising a Special Lecture on the Indigenous Kokborok Day Celebration program on 19<sup>th</sup> January 2023 by the Students of the Department of History, Holy Cross College, Agartala.

Respected Father,

With reference to the earlier application dated 15<sup>th</sup> December 2022, submitted to you on the same subject and the following verbal conversation with the Assistant HOD of the Department of History, Miss Sushmita Banerjee, on 19<sup>th</sup> December 2022, we are herewith submitting a revised proposal as per your suggestions, given to Madam Sushmita, in connection with organising a Special Lecture on the Indigenous Kokborok Day Celebration program on 19<sup>th</sup> January 2023.

Accordingly, Father, please find herewith a revised schedule of different activities and programs, attached as annexures A, B and C, which we intend to incorporate into the Special Lecture on the Indigenous Kokborok Day Celebration program on 19<sup>th</sup> January 2023.

We intend to invite Ms Tarubala Debbarma, an eminent personality on Tribal Dance of the State of Tripura, as the Key Note Speaker of the said program. If the college administration could provide a pick-up and drop facility for the Key Note Speaker, it would greatly help the department organise the Special lecture. A separate session has been planned after the formal session, where the students of the Department of History intend to organise, some competitions related to the theme of the Indigenous Kokborok Day Celebration.

We, therefore, humbly request you to grant us your kind permission and approval to conduct this departmental program on 19<sup>th</sup> January 2023. Moreover, Father, we also wish for your gracious

presence in the Special Lecture on the Indigenous Kokborok Day Celebration program on 19th January, 2023 and bless us so we can successfully conduct this initiative. We, the students of the Department of History, Holy Cross College, Agartala, are highly excited to celebrate this day and look forward to your kind permission.

Subject-Seeking permission to organize two interdepartmental collaborative teaching learning activity.

Respected Father,

I am writing to request your permission to organize two (2) interdepartmental collaborative teaching learning special lectures at our college for the Department of History in the Even Semester 2023. One of the main advantages of interdepartmental collaborative teaching and learning is that it can assist students in understanding the connections between various courses. They may be able to think more deeply about complicated issues that call for a multidisciplinary approach as a result of developing a more integrated understanding of the world.

Interdepartmental collaborative teaching and learning also has the advantage of enabling teachers to expand their own skill sets and knowledge. Teachers can learn new teaching techniques, gain insights into various disciplinary viewpoints, and build a greater grasp of how various subjects relate to one another by working with colleagues from various departments.

We intend to set up a cooperative teaching arrangement, including the Sociology and Business Administration department. To avoid interfering with the regular teaching schedule, the schedule will be carefully designed. We are confident that this cross-departmental effort would benefit our college, and we would really appreciate your permission to move forward. We promise to plan these two events effectively and professionally, and we'll do all it takes to make sure everything goes according to plan.

Father, you would be pleased to know that for these collaborative sessions the Department of History has taken prior consent from both the heads of the Department of Sociology and the Department of Business Administration.

Mr. Genesis Debbarma

"Origin, Growth and Importance of Trade Union"

Report

A Departmental Special Lecture was organized today on the very relevant topic of Origin, Growth and Importance of Trade Union, by the Department of History, which was delivered by Sri. Genesis Debbarma, Assistant Professor, Department of Sociology, Holy Cross College, Agartala. The lecture was arranged at the F2-09 classroom from 9:10 AM onwards and it went on till 10:11 AM. This particular lecture was organized under the initiative of the Interdepartmental Faculty Exchange Program of the Department of History, approved by the Father Principal of Holy Cross College, Agartala.

Sir Genesis, started his lecture by defining the term 'trade union' and then narrated the origin of the same from a strictly historical point of view. He also made a clear reference to the different stages of the growth of the concept of trade union, by making an elaborate mention of the "Industrial Revolution" and how the change had taken place in between the employer and working employee on the long run. Then sir has focused his lecture on the matter of trade union from an Indian perspective, traced down its origin in India with the arrival with the English East India Company on the Indian soil and gradually leading to the establishment of Cotton and Jute mills in Colonial Bengal in 1851 and 1855 respectively. Sir also made a vibrant description of the first factory commission and act of India in 1875 and 1881 AD respectively and its' application and criticisms, leading to the emergence of the second factory act in 1885 under the leadership of N.M. Lokhande. Sir ended his lecture with highlighting the long-term benefit of the trade union. There was a short question answer session followed by the lecture, where both the listener students and the invited speaker asked questions to each other. The program came to an end with the vote of thanks of the Head, Department of History. Thirty (30) students from the current batch of 2<sup>nd</sup> and 4<sup>th</sup> semester History Honours have registered and joined the Special lecture.

### **Departmental visit to an Old Age Home on 7th July 2022**

At the Ethnic Day (under Tejas 9.0 2022) celebrations, the students of all three semesters of the Department decided to set up a Food Stall [all the students and faculty members of the Department made their financial contributions for the arrangement of food]. This Departmental Food Stall sold foods worth four thousand and one hundred rupees (4,100/-). The money was lying with the Head of the Department for almost two and a half months. So, for the proper utilization of the sum (Rs. 4,100/-), three departmental meetings involving all the teachers and students of the Department were convened. It was decided in these meetings that the money should be used for some novel deed. Accordingly, the students of the Department have decided to donate the money to an 'Old Age Home' at Barjaja and the donation will be made in the loving memory of Andrew Debbarma, a second-semester History Honors student who very recently passed away.

The following students of second-semester History Honors of the Department accordingly visited the Old Age Home at Barjala on Thursday, i.e on 7 July 2022:

1. Ritica Debbarma
2. Sakalam Debbarma
3. Rohan Debbarma
4. Edison Reang
5. Ijesh Debbarma
6. Lisa Debbarma
7. Dritiraj Noatia

The Old Age Home is situated 5.6 km away from Agartala city; the students went by auto rickshaw and reached the destination at 9 O'clock. After reaching the destination, they met with the Manager/Secretary of the Old Age Home. The lady Manager of the Old Age Home welcomed them warmly and shared some basic information about the Old Age Home. The Manager informed that sixty (60) older women were staying there. They [older women] were provided with a healthy breakfast, lunch and dinner.

The students also spent time with some of them and attended the prayers and after that, the elderly persons staying at the Old Age Home shared their stories with the students; they became emotional in this process and advised the students not to abandon their parents at their old age. The students tried their best to make the elderly persons happy at the Old Age Home. At last, the students clicked some pictures with the elderly persons and departed from there at around 11 O'clock.

After the Old Age Home visit, the students acknowledged it as a life-changing experience as the visit was filled with emotions and sentiments. The students realized that being old is not easy and have seen the pain and loneliness in each elderly person's eye who was staying at the Old Age Home.

Subject: - Request to grant permission for the yearly mandatory departmental educational tour to a historical site of the state of Tripura on 21<sup>st</sup> January 2023 (Saturday).

Respected Father,

With due respect and humble submission, I would like to inform you that all the current three (3) semester History Honours students, along with the faculty members of the Department of History, are planning to visit the Bharat - Bangladesh Maitri Uddan, Bharabnagar, Chottakhola (Belonia), South Tripura, a historical site in the state of Tripura on 21st January 2023 (Saturday). The Department of History has a tradition of taking its History Honours students for a yearly mandatory visit to a historical site of the state of Tripura. Still, due to the Covid-19 pandemic, the Department had to stop this exercise from an overall safety concern. As a result, none of the current semester's honours students of the Department was taken to any historical site of the state of Tripura as an extended curricular activity of the course. So, the yearly mandatory departmental educational tour is pending for all three current semesters. The Department feels that this is the right time in the post-Covid era to take all the Department's students for the yearly mandatory departmental educational tour.

The total number of students expected to visit the Museum would be (1<sup>st</sup> sem Hist. Hons – 40, 3<sup>rd</sup> sem Hist. Hons – 19 and 5<sup>th</sup> sem Hist. Hons – 17 = 76 [total]) and the four (4) faculty of the Department are also expected to accompany the students for proper guidance. So, the Department feels it would be great from the side of the college administration if two (2) college buses could be provided to take the 76 students and four faculty of the Department from the HCCA Jubatara campus to Bharat - Bangladesh Maitri Uddan, Bharabnagar, Chottakhola (Belonia), South Tripura on 21<sup>st</sup> January 2023 (Saturday) and back. The buses could leave the college campus at 6:00 AM for the Bharat - Bangladesh Maitri Uddan, Bharabnagar, Chottakhola (Belonia), South Tripura.

The whole Department extends a warm invitation to you, Father and Father Vice-Principal, to join the Department in this yearly mandatory departmental educational tour to the Bharat -

Bangladesh Maitri Uddan, Bharabnagar, Chottakhola (Belonia), South Tripura. We all feel that your gracious presence will enhance the overall happiness and satisfaction of the departmental educational tour.

Therefore, I humbly request you to permit the Department to visit the Museum and also look into the other necessities mentioned above to complete the visit successfully.

Thanking you,

yours faithfully,

## Report

### **Departmental: Historical Educational Tour Bharat-Bangladesh Maitri-Udyan Study Tour**

The first, third and fifth semester honors students of the history Department along with the four (4) faculty members of the Department went for a Educational Tour on 21<sup>st</sup> January, 2023 at the Bharat-Bangladesh Maitri Udyan, This place has a great significance in the realm of contemporary history, as this place initially [later turned into a tourist park] as one of the base camps used by the Bangladeshi Freedom Fighters at Chottakhola, from where they launched guerrilla operations against the Pakistani army in Chittagong, Comilla, and larger Noakhali.

The park was created at Chottakhola, close to the international border, as a memorial to the Indian soldiers and Bangladeshi Freedom Fighters who gave their lives in the Liberation War. On December 16, Bangladesh Victory Day, the memorial, and park were officially opened by former Tripura Chief Minister Manik Sarkar in the presence of Indian and Bangladeshi artists, academics, and independence warriors. On November 11th, 2010, the park's foundation stone was placed by Dipu Moni, who was Bangladesh's Education Minister at the time.

Famous artists from Tripura and Bangladesh contributed to the project and offered their works of art, including statues and paintings, to the memorial's appeal. The memorial park would teach Bangladesh's future generations about the history of their fought-for independence and how the two amicable neighbors collaborated to bring about the nation's founding. **A total of fifty-seven (57) students from the department has visited** the Maitri-Udyan to have/gather a firsthand experience on the contribution of Indian and Tripura in the liberation war of Bangladesh. The whole educational tour gave the students of the department a fulfilling satisfaction.
