Incremental improvements made for the preceding five years:

1. Adoption of new technology: our Institution adopted new technologies to enhance the teaching-learning process, such as learning management systems, virtual classrooms, or video conferencing tools.
2. Student support: HCC expanded their student support services, such as tutoring, career counselling, or mental health services. Each student has a mentor and they will be monitored regularly.
3. Addon and Certification courses: HCC has an excellent structure in the addon and certificate courses to help our students to develop different skills.
4. MoU: The IQAC has helped in establishing and building up the relationship with various industries and academic organization by signing MOUs.
5. Internship activities: The initiatives taken by IQAC motivated many students to take up their internship at various esteemed institutions.

By continuously making incremental improvements in these and other areas, our institution can enhance the quality of education, ensure that students are well-prepared for their future careers, and maintain their competitiveness in an increasingly competitive higher education landscape.
