

7.1.6 *Quality audits on environment and energy are regularly undertaken by the institution*

Response:

1. The institution has taken measures to initiate the process for acquiring various required audits.
2. **Beyond the Campus environmental Promotional activities-** the college has engaged itself in several environmental promotional activities beyond the campus every year such as plantation and distribution of saplings, cleanliness drive, sessions on environmental conservation etc.

In the academic session 2022-23,

A Cleanliness Drive was organized on 17th July, 2022 at the War Memorial at Lembucherra Market.

A cleanliness Drive was organized at a nearby market and Health centre on 20th January, 2023.

An awareness campaign on **Say No to Single use Plastic** was organized on 24th May, 2023.
