Total of 30 different stalls (comprises of 105 students) were displayed by the students in the fair which includes snacks, food stalls, handmade jewelries, handmade bags, paintings, plant saplings etc. This activity is an initiative to develop entrepreneurial skills among students under the umbrella of Holy Cross College. Through this program students were encouraged to apply various nuances of buying and selling strategies in business. All the students have given a remarkable response with a sales estimation of ₹ 45000/- (approx). The data regarding sales were collected by the group of students at the end of the program, which enhance the practicality of applied accounting by the students.
