DEPARTMENT OF HUMAN PHYSIOLOGY

Report on Parents Teacher Meetings (PTM)

Date: 01/07/2024 to 05.07.2024

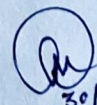

Time: 12:00 PM – 2:00 PM

A parent-teacher meeting was conducted for a period of 5 days by the Department of Human Physiology, Holy Cross College, Agartala. The parents were intimated through the student official groups well in advance through the Head of the Department.

Salient features and outcomes of PTM:

All the teachers of the department interacted with the parents and shared their observations throughout the semester. In total, 24 parents attended this meeting. Discussion held on following matters.

- Interaction between Parents, Teachers, and Mentors was done.
- There was a discussion on students' performance, students' discipline in classrooms, and their attendance percentage.
- One parent was happy with the way the department was conducting academically. He was very satisfied with the performance of his ward. One parent also enquired about what kind of placement arrangements are made for their ward.
- Internal Assessment marks were discussed with the parents.
- It was also requested that the parents should actively participate in monitoring the academic activity of the students. Several measures of establishing direct communication were proposed.

- Every student has to refer to books, which is the biggest learning contribution. The parents were invited to share their views, suggestions, and feedback.

The overall satisfaction level regarding the academic calendar, the examination activities and information, and the communication among the parents and their wards was good. It was mentioned that the students who are regular in the classes get a better understanding of the study material. Students have to maintain regular basis study time. Overall, the experience was too good, and the meeting was organized successfully.
